

THE BEHAVIOURAL REFERRAL PROCEDURE

Part One

The Area Manager fills in the Behaviour Referral Form and sends it to the Behaviour Support Specialist

The Behaviour Support Specialist arranges a meeting with the Area Manager to gather facts (potential triggers, behaviours displayed etc)

The Behaviour Support Specialist gives an ABC chart (Antecedent, Behaviour & Consequence) to the Area Manager

The Area Manager hands back the ABC chart to the Behaviour Support Specialist

THE BEHAVIOURAL REFERRAL PROCEDURE

Part Two

The Behaviour Support Specialist will arrange to observe the young person

A Behaviour Support meeting with the Area Manager & Parents if required

The Behaviour Support Plan will be shared with all relevant staff

The Behaviour Support Specialist will model strategies/arrange appropriate training with staff

THE BEHAVIOURAL REFERRAL PROCEDURE

Part Three

The Staff will be left to input strategies

The Behavioural Support Specialist will go back and reobserve the young person

If needed the Behaviour Support Specialist will keep modelling until the staff are confident
